Supplier name		NIBE		
Model		NIBE F110		
Type of installation		Exhaust air	Outdoor air	Ambient air
Declared load profile		XL	XL	XL
Water heating energy efficiency class, average climate		A	A	A+
Water heating energy efficiency, average climate	%	116	95	131
Qelec, average climate	kWh	6,60	8,08	5,83
Annual electricity consumption average climate, AEC	kWh	1452	1778	1283
Thermostat temperature settings	C	54	54	54
Sound power level LWA indoors	dB(A)	47	47	47
Water heating energy efficiency cold climate, $\eta_{wh}$		116	82	131
Annual electricity consumption cold climate, AEC	kWh	1452	2037	1283
Water heating energy efficiency warm climate, $\eta_{wh}$		116	106	131
Annual electricity consumption warm climate, AEC	kWh	1452	1589	1283
